(motion sensors)

[Intro]

A D E7 A A

-----

A D E7 (E-Eb-D) D E7 A  
I go in peace, yes! No motion sensors trouble me.

A D E7 (E-Eb-D) D E7 A  
No flying poo spray, 'till I am finished and far away.

-----

A A7 D E7  
They say it's for foreign migrants, who come from third world lands,

A  
where they just go in sand.

D E7 A  
For them plumbing might be something new,

A D E7 A  
But cover tape, to make it wait, I flush my own, thank you.

(in the loo)

[Interlude]

A D E7 A A

-----

A D E7 (E-Eb-D) D E7 A  
I go in peace, yes! Those guys in skirts just pass me by.

A D E7 (E-Eb-D) D E7 A  
They can't transgress My lady spaces, though they try.

-----

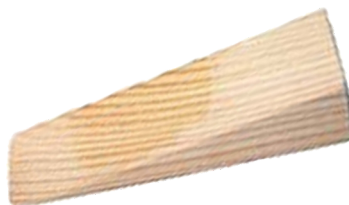

A A7 D  
They prey on your shock and your meekness.

D E7 A  
They say they're just like you, when they barge in the loo.

A D E7 A  
But they mistake us for weakness.

A D E7 A  
I've planned ahead, a good door wedge, makes them cry boo hoo!

(locker rooms)

[Interlude]

A D E7 A A

-----

A D E7 (E-Eb-D) D E7 A  
I go in peace, yes! Locker rooms give me privacy!

A D E7 (E-Eb-D) D E7 A  
No men in lipstick Can ever intimidate me.

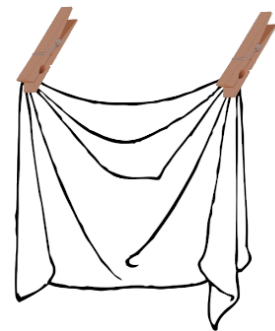

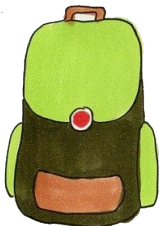

-----

A A7 D  
How, you might ask, do I manage this?

D E7 A  
They try and strut their stuff, Their envy of my muff

A D E7 A A D E7  
But I don't blink or even gag. They can't peep, I just hang a sheet

A  
Brought from my gymn bag.

(WSJ Bidets)

[Interlude]

A                      D              E7              A      A

---

A                      D                              E7              (E-Eb-D)

Wall Street Journal's pushing bidets!

D                      E7                              A

To wash your backside and save trees!

A                      D                      E7                      (E-Eb-D)

They should mind their businayyss!

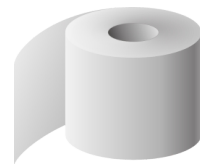

D                      E7                              A

We're done with their fake TP stampedes.

-----

A                      A7                              D

They fantasize your bathroom habits.

D                      E7    A

They tell you that you stench, you should learn from the French!

A              D              E7                              A

But we like our tushes fresh and dry.

A                      D    E7              A

Of course we gripe, the French don't wipe, but we do, that's why.

(high tech sniffers)

[Interlude]

A                    D            E7            A    A

---

A            D            E7            (E-Eb-D)

High tech sniffer toilets

D                    E7                    A

With Martian probes at Uranus

A    D                            E7            (E-Eb-D)

Broadcast to who knows whom

D                            E7                            A

What you've been eatin', burgers or pecan nuts

-----

A                            A7                    D

They make you login to take a sit.

D            E7                            A

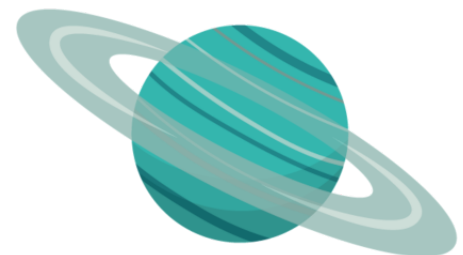

Just to do your bit, leave your deposit.

A    D                            E7                    A

It's ok, just don't play, or comply.

A            D                            E7                    A

Cheap tin foil, on transceiver coil, will blind the wifi.

[Outro]

A            D            E7            A            A            E7    A  
Intrude they try,    but I,    go in peace, yes!

[END]
